SENT

Sir,-

N.W. ¼ Sec. 13 Tp. 72 Rge. 3 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Land Act has been passed which, from and after these presents, will permit you, if you have become entitled to a patent for your homestead, to exercise the right to make a second homestead entry for land, subject to the homesteading terms.

Therefore, if you are the holder of a homestead patent for the quarter section mentioned above, and if you have fulfilled this is the only land for which you have a homestead patent, and if you have patent, you are entitled to apply for a second homestead, and upon presentation and surrender of this letter to the Dominion Lands Sub-Agent of Dominion Lands will be authorized to issue to you a homestead entry for granting you homestead entry for any vacant Dominion Land not exceeding one quarter section of land within the Province of Alberta, Provided he is aware of no reason why you should not be allowed to do so.

I may further inform you that the Department is prepared to permit a homesteader who has fulfilled his homestead duties to transfer his homestead entry to a son who has attained the age of eighteen years, or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to the Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Robert J. Cullihoo, Esq.,
Bezanson,
Alberta.

ACCORX Commissioner
of Dominion Lands.

P.S. In response to your letter of the 17th September, 1928 a letter giving you permission to take up a second homestead was sent you at Grande Prairie, Alberta, on the 5th October following and such letter was returned here undelivered and is being retained on file in this office.

Sir,-

. . ¼ Sec. 1, Tp. 78, Rge. 5, West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

"and much of it passed over, and really worthless. I con-
"sider that 2½ acres of cultivation on this quarter section
"would be equal to 3½ acres of ordinary prairie land, as
"there is about 15 acres very easily can be broken with
"very little brushing and 20 more with light brushing and
"grubbing.

Mr. Ledoux was advised on the 31st December, 1920, that as he had performed his residence duties in the vicinity, his entry called for the breaking of at least fifty acres, or in view of the nature of the land, the breaking of at least forty acres, the land to be worked in each year for three years and cropped in two of such years; and that the cancellation proceedings outstanding would be held in abeyance until the 1st of May, 1921, when it was expected that he would fully satisfy the Agent at Peace River that he was entitled to the completion of the cultivation duties on the land.

A statement has now been received from the claimant in which he states that he has performed the necessary residence duties on the N.W.¼ 1-71-17 W.5th M. He also claims the following cultivation duties:-

1919 - broke 4 acres, and part 1 acre.
1920 - broke 4 acres.
1921 - broke 4 acres.
1918 - broke 2 acres.
1922 - cropped 5 acres.

In answer to par. No.2, he states that he would have completed the duties, if the railroad had not fenced their track which goes directly North and South through the section; that it would be useless for him to break this land, unless it could be cropped, on account of the hours.

You will note that the entrant claims to have broken which is in error this season, but according to Homestead Inspector Lee in his report of the 7th December, 1921, it would appear that only 4 acres had been broken, the rest of the land very stony, and that only 20 acres which could very easily be broken, there were about 40 acres in all cultivated, which would be all there will.

According to the above statement, it would appear that [illegible] at the present time, but if it was the intention of the [illegible] further cultivation duties [illegible]. Entry granted 17th April, 1914.

It is reported that the entrant has since enlisted for active service with the Engineers Training Depot, C.E.F., on the 4th September, 1916, and that he was discharged on the 9th January, 1917, as "Medically unfit", suffering from hernia & cruralitis.

Cancellation proceedings were instituted against his entry on behalf of J.W.Morrison on the 21st June, 1917, on the ground of non-performance of duties.

The entrant filed a defence on the 27th June, 1917, from which it would appear that he had performed the required residence duties & resided with his mother on the S.W.¼ 3-74-17 W.4th M. He also claimed the following cultivation duties:-

"1917, Have 12 acres.
"1918, Have 15 acres, crop 8 acres.
"1919, Have 15 acres,

Homestead Inspector Hay visited this land on the 14th August, 1917, and credited the entrant with the following improvements:-

Ref. # 187631.

OTTAWA, 24th September, 1926.

Sir,-

Sec. 36 Tp. 61 Rge. 6 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Memorandum:

RECEIVED BY THE BOARD OF INVESTIGATION AND APPEAL.

RE: Arthur Frey - 917788
N. E. 21. 61. 4. West 4th (Ext.)
- Edmonton District -

On the 10th of July, 191., a loan of $1600. was approved in favour of Arthur Frey, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above described land, the homestead entry of the soldier settler. The loan in this case was subsequently increased by additional approvals to $21[illegible], and of this amount, $2[illegible], was expended by the Board on the settler's behalf in the purchase of stock and equipment and permanent improvements.

The settler established farming operations on this land in the fall of 1922, but before leaving, illegally disposed of chattels purchased for him by the Board, obtaining the proceeds for his own use. Efforts to locate the settler proved fruitless, and in order to protect the interests, the Board was compelled to institute an action of replevin. The Board was successful in the action, and obtained judgment against the settler for the return of the chattels, or in default, for the sum of $[illegible]. Subsequently, the settler was traced to Edmonton, and on the 15th of November, 1923, addressed a letter to the Board, in which he stated that he was willing to surrender the land to the Board, and to waive all claim to the chattels, provided the Board would release him from his liability under the agreement for sale. The Board has now decided to accept the offer made by the settler, and to release him from his liability under the agreement for sale, on the understanding that he will execute a transfer of the land to the Board, and will waive all claim to the chattels.

DOMINION LANDS ADMINISTRATION

Copy to the A.D.L. Peace River.
Reference - J 435.

OTTAWA, 18th September, 1928.

Sir,-

N.½ Sec. 14 Tp. 81 Rge. 2 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Maurice Patrick O'Brien, Esq.,
C/o B. Bissonett,
Waterhole,
Alta.

I have the honour to be,
Your obedient servant,

Acting Commissioner
of Dominion Lands.

DOMINION LANDS ADMINISTRATION

OTTAWA, 11th October, 1928.

Sir,-

N.W. ¼ Sec. 12 Tp. 81 Rge. 2 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

[illegible],
Lethbridge,

Dear Sir:

RE: SW 25-82-25-W5th Meridian

According to our records here the above described quarter section was patented to Joseph Gerhard on November 4th, 1920, and there was an exception of tw acres from the patent.

This small portion, containing two acres, is situated in the South East corner of the quarter section and our records do not indicate that a patent was issued for this small portion.

The fiat for Mr. Gerhard's patent gives File No. 2966702 as a reference for this portion and I would greatly appreciate it if you would forward this file to me in order that I might investigate the matter further to find out why patent has not issued.

Referring to your letter of the 19th of April, 1956, herewith is Ottawa File No.2966702 for the above-mentioned land.

I may say that it does not appear that an entry has been for two acres situated on the S.E. corner of the said quarter section, and as it was patented prior to 1930 no word could be given by the Ottawa Forestry Members, which were forwarded to your Department.

Sir,-

S.W. ¼ Sec. 20 Tp. 74 Rge. 17 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Sir,-

N.W. ¼ Sec. 31 Tp. 74 Rge. 15 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Louis Marie Collin, Esq.,

Sir,-

Sec. 32 Tp. 76 Rge. 21 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.W. ¼ of Sec. 21 Tr. 72 Rge. 5 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Alex Shand who lives on S. W. 24- same section stated that he knew the Lemke family. They were troublesome and and would steal. Though there were never any complaints laid against them on that charge. They had a bunch of cattle which trespassed on the neighbours grain. He- Shand, had a fight with the family and there was an assault charge against them at that time. The quarrel was over trespass of cattle. I know they were thieves. I saw them stealing from "Baldy" Robb's homestead. They stole lumber off his roof. There were no complaints laid against them for stealing. They settle is a small one and do not wish to have any trouble. The Lemke family were hard workers. I believe the old man Lemke (The entrant on this land N.W 23-54-16 w5th) should get his patent as he has ~~xxxx~~ performed his duties alright, both the residence and breaking.

- End of Statement- .

I interviewed several other families in the neighbour hood with the same trend of conversation.

I met Baldy Robb on my way home from Mountain Park 6th instant. This man I have known for the past nine years. His correct name is P. A. Robb. from what I have known of Robb, I can state that he would not have any sympathy with a pro German element. He informed me that the Lemke family were very hard workers. They had performed their homestead duties more conscientiously than any of the other homesteaders in that settlement. In fact they were the only real farmers ~~xxxx~~ in that community; though they were German still they could be worse. The reason that the Lemke family sold out last year was on account of a land deal that he Robb had something to do with. This was a case of a quarter section of land owned and homesteaded by a friend of Robb's named Young who was then serving in the British Navy in the War zone. Young had sold this land to a man named Darrish, who leased the land to Lemke. Darrish had not paid any money for the land at this ti me and he- Robb had power of attorney from Young to hold the land till paid for. The matter was brought to court and the lease was broken. The Lemke family then left the district in disgust of the way they had been treated. Robb is of the opinion that Lemke should get his patent for that quarter of land. Also stated that another quarter of land adjoining Hodgkiss viz?- S. E. Dear Sir,

N.W.¼ Sec. 23-54-16-W.5th.

I am in receipt of your letter received Post dating of above ¼ sec. from May 3rd. to May 21st. and note explanation why this cancellation was not accepted on date received. I put in Proceedings against this quarter primarily because it adjoined the quarter I have already patented and for the following causes :

1. Lemky had sold out and informed all the neighbours that he had no intention of returning that he and his family were making "big money" at the mines and intended to return to Germany as soon as Peace was declared and that they did not intend to naturalise.

2. Lemkies are undesirables settlers not on account of their nationality but most of the neighbours have grievances against them for theft, sowing weed seed in neighbours crops, assault (for which they were brought up in court) and several other offences.

3. During the war they have, with other families of the same nationality held celebrations on occasions of German advance and have been very antagonistic to any Patriotic cause.

After I had cancelled this land a strike occurred in the mines where they were employed and I understood an effort was made to return to Germany, (as Lemky is an ex-Officer in the Military Police and has a pension due if not absent from his country more than five years) failing to obtain Passports again they returned their attentions then to the homestead again. What statements they made I can't say but I presume they were told to put in a crop to prevent cancellation. Lemky came on the place for a few hours put the harrows over a patch of old ploughing covered with weeds and brush, borrowing a team for the purpose stating that he had put 15 acres of crop. Mr. McConnochie (Homestead Inspector) was in the district and I asked him to come and see the work, we could find no seed and the ground was hard and scarcely scratched by the harrows. This supposed crop was put in on the 15th. June Mr. McConnochie said it was a breach of faith and was not cultivation, there is no one living on the place at present.

Lemky stated that the Land Office has no use for Returned Soldiers, I trust you will take these statements into consideration when making your decision. They can be proved by any reliable settlers in the district.

Thanking for your just consideration of the matter.

Yours respectfully,

Re : B. Lemky - (Complaint of A. Hadekiss ex Sergt.49th.Battn.)

Complaint was received from the Assistant Secretary of the Department of the Interior, enclosing a letter from one A. Hadgkiss re one B. Lemky.

This matter was investigated by Corporal Jackson on my instructions, and I have the honour to forward herewith his report.

From this there does not seem to be sufficient evidence to take any particular action against Lemky.

I have not communicated directly with the Department of the Interior, but am forwarding sufficient copies of the report to be sent if you wire.

I have the honour to be,

Sir,

Your obedient servant,

Supt.
Commanding "G" Division.

Alex Shand who lives on S. W. 24- same section stated that he knew the Lemke family. They were troublesome and and would steal. Though there were never any complaints laid against them on that charge. They had a bunch of cattle which trespassed on the neighbours grain. He- Shand, had a fight with the family and there was an assault charge against them at that time. The quarrel was over trespass of# cattle. I know they were thieves. I saw them stealing from "Baldy" Robb's homestead. They stole lumber off his roof. There were no complaints laid against them for stealing. They settle is a small one and do not wish to have any trouble. The Lemke family were hard workers. I believe the old man Lemke (The entrant on this land N.W 23-54-16 W5th) should get his patent as he has ~~xxxx~~ performed his duties alright, both the residence and breaking.

- End of Statement- .

I interviewed several other families in the neighbour hood with the same trend of conversation.

I met Baldy Robb on my way home from Mountain Park 6th instant, This man I have known for the past nine years. his correct name is P. A. Robb. from what I have known of Robb, I can state that he would not have any sympathy with a pro German element. He informed me that the Lemke family were very hard workers. They had performed their homestead duties more conscientiously than any of the other homesteaders in that settlement. In fact they were the only real farmers ~~xxxx~~ in that community, though they were German still they could be worse. The reason that the Lemke family sold out last year was on account of a land deal that he Robb had something to do with. This was a case of a quarter section of land owned and homesteaded by a friend of Robb's named Young who was then serving in the British Navy in the War zone. Young had sold this land to a man named Darrich, who leased the land to Lemke. Darrich had not paid any money for the land at this ti time and he- Robb had power of attorney from Young to hold the land till paid for.,The matter was brought to court and the lease was broken. The Lemke family then left the district in disgust of the way they had been treated. Robb is of the opinion that Lemke should get his patent for that quarter of land. Also stated that another quarter of land adjoining Hodgkiss vis- S. E. Section 22- containing 153.1/10 acres is open for homesteading and a better piece of land than that of Lemke's Besides there are thirty more quarters open for homesteading within from one to four miles from Hodgkiss land.

End of Robb's statement.

Regarding the statement that The Lemke family have sown weed seeds, ~~xxxxx~~ this seems to be rather a wild stretch of immagination, as that part of the country is overrun by weeds and has been to my own knowledge been infested by weeds for the past eight years. The soil in that district is a loose rich soil and weeds spread very rapidly.

I could not get an interview with the Complainant dgkiss as he was away on his duties a Forest Fire Ranger. ich position he also held for some years prior to his aving for the War.

As the files herewith do not disclose any further action having been taken after the applicants were advised as regards being given free grant for 160 acres and permission granted to purchase the balance claimed it seems to me that the files relating to James Lawrence, John Lawrence and the Estate of M. J. Lawrence should also be forwarded to the Province of Alberta but before doing so I thought it advisable to submit the matter to you for instructions.
